

Desktop Environments

Across

- 1 Native to Solus OS, not Twitter
- 4 It's elementary, my dear Watson
- 7 This is a continuation of the GTK2, nothing to do with Australia
- 8 A "Tile"ing Window Manager
- 10 A suckless.org product
- 11 In this tiling window manager, Windows represented as leaves of a full binary tree
- 12 From China with Love
- 14 An "Amazing" and simple tiling window manager

Down

- 2 Buddhist and spiritual
- 3 A mythical creature and a diminutive spirit, that's what it means in English
- 5 A Cute and Minimal Desktop
- 6 A Spicy desktop environment
- 9 Visually pleasing with endless "kustomisations"
- 13 Lightweight like a mouse. You can find MX Linux shipping this as flagship
